# ASCOT

LOGES

Concourse Level Loges offer an exclusive space with prime viewing over the track and easy access to the Parade Ring and Winners' Enclosure.

Inspired by one of 4 themes, the world of racing, the flora and fauna of Ascot, a celebration of the horse and the history of Ascot Racecourse, each loge offers a distinctive private area for you and your guests. Located undercover for shade or shelter, with heating for the colder days, loges are the perfect way to make your Ascot experience extra special.
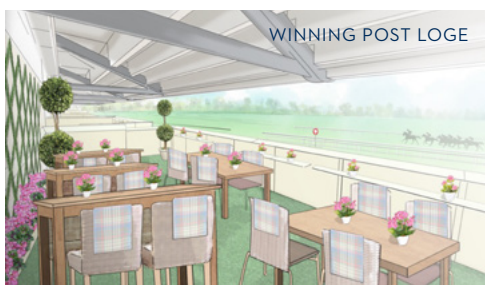

Guests can explore the numerous eateries and bars nearby, which cater for every taste, or enhance their day with waiting staff to deliver pre-purchased food and drink directly to the logo. Also included are racecards, car parking and a 10% discount for the Ascot Shop.
