

Santa and the Racehorse

Speeding down the racecourse

Almost at the end

Never give up, never give up!

Thousands cheering for Santa

Atop of the energetic racehorse

Two meters left to run

Hip, hip hooray! cheers the crowd.

Excitedly, Santa crosses the finish line first

Rudolph feels left out – he wants to race too!

All his friends decide on a plan to help

Christmas wishes must come true

Everyone rushes to the track to see Santa

“**H**appy Christmas Everyone!” he calls out.

Oh dear, where is Rudolph?

Rudolph and his reindeer friends have disappeared

Seconds later, hooves thunder down the track

Expertly led by Rudolph, the great race reindeer!
