May 2023

Dear Neighbour

**ROYAL ASCOT 20th– 24th JUNE 2023
TRAFFIC ARRANGEMENTS**

As in previous years, Ascot Racecourse has worked with the Royal Borough of Windsor & Maidenhead (RBWM), Bracknell Forest Council and Thames Valley Police (TVP) to produce a traffic plan to try to minimise disruption to those living in the area around the racecourse during Royal Ascot.

The attached illustrative map shows the major traffic management measures for 2023. This map will also be available online via our community and charity webpages: <https://www.ascot.co.uk/ascot-racecourse-supports/local-residentsinformation-event-hub>. These pages also detail our “Ascot Supports” programme where you can find more detail on the local initiatives and projects that we have undertaken and supported recently.

Please note that the roads will generally be at their busiest between 10.00-14.00 and 17.00-20.00 and we would advise trying to avoid travelling in the vicinity during those times to minimise disruption to your journeys.

Manual management of key traffic points will also help to reduce delays from all approaches.

We hope this information is useful in helping you to reduce any inconvenience caused by this event. A summary of the traffic management measures for the area during Royal Ascot 2023 is overleaf.

Yours faithfully

Ascot Racecourse

ROYAL ASCOT 20th– 24th JUNE 2023

TRAFFIC ARRANGEMENTS

NEW FOR 2023

- There will be a 20mph speed limit introduced on the High Street for its entire length for the duration of event from 00:01 on Tuesday, 20th June 2023.
- There will be an extension to the No Stopping restriction on the High Street from Heatherwood Roundabout to Station Hill to match existing clearway extending onto the remaining section of High Street, section of Winkfield Road, London Road and Station Hill

ARRIVAL PHASE (MORNING, Approximately 10:30 – 13:30)

- Residents only road closure implemented at top of Burleigh Road with the junction of Kennel Avenue
 - The above closure will allow for local deliveries and journeys for residents, but taxis and vehicles with guests to Royal Ascot would not be allowed to enter the Burleigh Road junction with Kennel Avenue
- Road closure, southbound on the A330 towards Shepherds white roundabout
- One way traffic southbound, along A332 Windsor Road, from the junction with Lovel Lane to Shepherds White roundabout.
- North bound traffic on the A332 Windsor Road, arriving at Shepherds White roundabout will be directed left, up the Winkfield Road A330.
- One way traffic southbound, along A330 Winkfield Road, from the Shepherds White roundabout to the junction with New Mile Road.
- A330 Winkfield Road closure northbound from its junction with A329 London Road to Shepherds White.

DEPARTURE PHASE (AFTERNOON, Approximately 17:00 – 20:00)

- One way traffic northbound, along A332 Windsor Road, from the Burleigh Road roundabout to Shepherds White roundabout.
- One way traffic northbound, along A330 Winkfield Road from Holloways tunnel junction with A330 Winkfield Road to Shepherds White roundabout.
- One way traffic Northbound, along A332 Windsor Road, from Shepherds White roundabout to Peanut roundabout.
- All traffic will be eastbound only on New Mile Road, between Winkfield Road and Cheapside Road.
- Burleigh Road will be closed at the south end, at the junction with the A332 Windsor Road.

GENERAL INFORMATION

- Coaches are not permitted along the High Street between the roundabouts at the top of Station Hill and Heatherwood Hospital.
- There will be parking restrictions on the southern side of Cheapside Road from the Watersplash Lane junction to the Village Hall and on the northern side from the Watersplash Lane junction, for approximately 50 metres.
- The High Street will be heavily congested in both directions during the arrival and departure periods, so for your own convenience, please avoid this area at peak times.
- Prohibition of U turns in the High Street.
- Additional parking restrictions will be in place throughout the area to ease congestion and these measures will be vigorously enforced.
- Council Parking Officers will be responsible for enforcement following parking offences and will arrange for the removal of vehicles for parking violations.
- Thames Valley Policy will be responsible for removing vehicles that they deem to be causing an obstruction or security threat.

Every effort will be made to minimise the time these restrictions are in place and we thank residents in advance for their support and co-operation.
