The British Horseracing Authority will amend paragraphs 28 to 32
of the Weights and Handicapping Code and the Declaration of
Jockey section of the Race Entries Code in the event that
raising of the weights at the 24-hour stage proves necessary.
This race will be restricted to 29 runners plus three reserves.
The three reserves will be nominated as R30, R31 and R32.
The procedure for the allocation and operation of the reserves
protocol will be as detailed in the notice headed 'Reserves'
which appears in the important notices following the Standard
Conditions on the Racing Bulletin area of the BHA Racing
Administration Internet site www2.racingadmin.co.uk.

Trainers are reminded of the provisions of paragraph 41
of the Race Entry Code which require that they must notify the
Racing Calendar Office immediately when the decision has been
made not to run.

This will maximise the list of runners and determine whether
the weights will need to be raised.

The British Horseracing Authority has modified the Declaration
of Jockey section of the Race Entries Code and the Division of
Races section of the Race Administration Code of the Rules of
Racing for the purposes of this race.

The British Horseracing Authority has authorised that the maximum
number of runners in this race shall be determined by the normal
Safety Factor applicable for the race and that a reduced Field
Size Limit shall not apply
